

2022 OBSERVER INFORMATION GUIDE

Certified Observers are a key and valuable part of the Tournaments. To qualify you need to be certified by the IGFTO, IGFA or by the Los Sueños Observer Certification Program (LSOCP) and submit the Observer application form. Observers are selected on their fishing experience and by their physical ability to withstand three consecutive days on the water, as well as be situated in a location on the boat that properly allows them to follow all tournament-related activity.

Given the ongoing COVID 19 situation restriction have been implemented by the Costa Rican Department of Health. At this point there will be no social events held by the tournament this season. Strict adherence to COVID protocols and guidelines will be enforced, including the use of masks in and around the marina as well as while observing on the participating boats. This is an evolving situation and can be subject to change.
